

Amended Re- tender Announcement

project	Design, Implementation, and Operation of an Intelligent Transportation System (ITS) for Public Transportation in Jordan A Multitenant, Standards-Based, Account-Based, and Closed Payment System
Project No:	2/2019/special supplies

Land Transport regulatory commission (LTRC) invites local and international bidders in the form of a joint venture specialized in the tender field, for design, implementation, operation, and maintenance of an ITS solution for public transportation in Jordan. Specifically, the assignment includes:

1. Design and implementation of a nationwide system
2. Procurement and installation of devices for pilot routes (in the city of Jerash and on some university routes)
3. Operations and maintenance of all components included in the RFP.

Starting from 27/11/2019 according to the following:

1. The last date to purchase Tender Documents is on December 4, 2019.at 2:00 PM, Jordan Local Time.
2. Tender Documents shall be purchased by an authorized representative of the firm in accordance to an authorization letter issued by the bidder at a non-refundable **cost of 650 JD**, in addition to submit valid professions license and commercial registration.
3. Bidders who purchased the tender in the first time, have the right to get a free copy of tender documents.
4. Interested bidders will be invited to a bidder conference which will take place at the headquarter building of LTRC in Amman on December 5, 2019 at 12:00 PM, Jordan Local Time.

5. All inquiries with respect to this RFP are to be addressed written to LTRC by E-mail (Tender@ltrc.gov.jo), or handed to the secretary of tenders committee not later than December 8, 2019.
6. LTRC will respond to all inquiries by December 12, 2019.
7. Bidders are requested to follow up the issuance of any further instructions and amendments to the RFP document through LTRC official website. (www.Ltrc.gov.jo).
8. The proposal must be submitted in a single package containing three envelopes (the technical Proposal/ the financial Proposal/ the bid bond-on a form similar to the attached format at tender documents in Jordanian Dinars for a flat sum of JD 100,000.000 (one hundred thousand Jordanian Dinars) , The bond will be in the form of a certified check or bank guarantee from a reputable registered bank located in Jordan, selected by the bidder valid for a period of 90 days after the bid closing date), sealed separately and clearly marked (Tender Number, Tender Name, and Bidder Name) as it mentioned in the RFP.
9. Submissions of proposals must be received in sealed envelopes, at the address noted below not later than 12:00 PM (Jordan Local Time) December 23, 2019, Late proposals will not be considered.
10. Technical proposals will be opened, in the presence of bidders who interested in attending, on the same date of submission at 1:00 PM(Jordan Local Time).
11. The proposals shall be addressed to:
